## Announcement from Pinnacle Grille

### *Pinnacle Grille Hires New Executive Chef*

SCOTTSDALE, Arizona- August 27, 2010- Since opening in January, Pinnacle Grille has offered customers delicious, custom-made burgers, sandwiches, and salads at an amazing value in North Scottsdale. As the summer started to heat up the Arizona desert preferred customers were invited to save 30% off their total bill beginning in June, and will be able to enjoy this incredible discount until September 6, 2010.

Larry Kordower, sole owner and operator of [Pinnacle Grille](#) is proud to announce that he has hired a new executive chef, Ryan Wieth. With over 18 years of culinary experience, Ryan brings a wealth of new menu ideas and delectable flavors to Pinnacle Grille customers. But loyal Pinnacle Grillers don't fret. Menu favorites will not be removed or changed, as the current Pinnacle Grille menu will not reduced. Rather, new cuisine and specials will add to the already expansive selection.

Pinnacle Grille has a large assortment of wine and beer, a large outdoor enclosed patio, and plenty of seating for bigger parties of 10 or more people. Dogs are welcome to accompany their owners outside on the patio. A large room in the rear of the restaurant is also available for private parties.
